IRREGULAR VERBS (part 1)

Let's look back at some of the verbs that we have learned along the way and try filling in the blanks. Although some of these verbs seem easy, they depend on the rest of the sentences, so be sure to read carefully. Aside from filling in the blanks at the end of the assignment, you will *choose 10 words that were new to your vocabulary from the exercise and find their definition in an English/English dictionary.*

Just to refresh your memory below we have listed the conjugation of the verbs you will be needing. Use all of the tenses below as a verb bank. (some verbs may be used more than once)
